

SOLARIS HEDGE TRIMMER

Quality Attachments, Parts & Customer Service

The Solaris Hedge Trimmer is the perfect addition for Excavators (1.5 – 8T) and Skid steer Loaders, offering a variety of motor sizes to suit your application. Attaching to an excavator provides extra-long cutting reach, gaining access to those taller trees and deeper hedges. The newly designed skid steer mounting frame allows you to quickly switch the Hedge Trimmer between left and right sides of the skid steer. The Hedge Trimmer is also ideal for cutting long grass and brush.

FEATURES

- 5-foot cutting length
- Optional 40 in. extension
- Quick switch between left & right side
- Cut branches up to 1.6 in.
- Replaceable cutting teeth
- High performance & durability
