

## SOLARIS SPEED BAGGER

*Quality Attachments, Parts & Customer Service*

**The Solaris Speed Bagger is an amazing stand-alone Skid Steer attachment that collects sand and material very quickly, just like a bucket, and disperses it in seconds with great accuracy and safety. Fill bags, fill barrels, fill any container accurately or use it to disburse material on surfaces! Fits all skid steers with a universal quick attach plate. Attachment weight: 746 lbs.**

EZ-0013 Speed Bagger
